• What are end of key stage one assessments?

What you might know as SATs or Standard Attainment Tests, are national curriculum tests that are usually taken by children at the end of key stage one.

These are just part of the picture.

- All children are assessed during the last term of year 2 to judge what they have learned over the course of key stage one (years 1 and 2).
- Teachers judge whether each child in their class has achieved the expected standards for the end of key stage one.
- Teachers will use a range of evidence to support their judgements, including the children's results in their national curriculum tests, as well as independent work in class.
- Teachers will judge what a child is able to do independently and align this with the national expectations for a child at the end of key stage one.

• When and how do the tests happen?

The national window for administering these tests is the month of May.

We will administer assessments over the weeks of: 2nd May 2022 and 26th May 2022.

- We will not tell the children they are being tested or call them tests.
- The children will work on the assessments in their own classroom in smaller groups to allow them to space out. **Children not taking part in the assessment at that time will work with the Teaching Assistants in the year group.**
- The assessments will be timetabled across the weeks to prevent the children feeling overwhelmed. To them, it will be like a usual English or maths lesson.
- There is no writing test. The teachers will make a judgement using the children's writing over the course of year 2 **and the results of the English grammar, punctuation and spelling papers.**

KS1 English - Reading

- ▶ Greater emphasis on the *comprehension elements* of the curriculum and on *fictional texts*.
- ▶ There will be a mixture of text types.
- ▶ Paper 1 has the answers and text together.
- ▶ Paper 2 will have 3 unrelated texts of increasing difficulty and separate answer booklet.

- **What are children tested on?**

Maths

Paper 1 - Arithmetic (20 minutes)

Addition, subtraction, multiplication and division, including finding fractions.

Paper 2 - Reasoning (35 minutes)

Solving problems and reasoning. 5 questions are read aloud and children have 30 minutes to answer the rest of the questions independently.

English Reading

Both reading papers contain a variety of texts which increase in difficulty. Paper 2 is more challenging than paper 1.

Paper 1 (30 minutes)

Short sections of text for the children to read with questions underneath for them to answer.

Paper 2 (40 minutes)

A reading booklet with texts and a question booklet to record answers in.

- **What are children tested on?**

English Grammar, Punctuation and Spelling

These are optional papers which can be used to support teacher judgements on children's writing attainment.

Paper 1 - Spelling (15 minutes)

The children have a booklet of sentences with missing words. The teacher reads out the sentences and children write in the correct spellings.

Paper 2 - Grammar, punctuation and vocabulary (20 minutes)

A question and answer booklet which tests children's knowledge of grammar and punctuation rules, as well as their vocabulary.

KS1 English - Reading Paper 1

On Thursday, when her mother said, "Molly, tidy up!", Molly carried on dancing, making a massive mess of her bedroom.

And when Molly went for tea, she ate it super fast and raced back to her bedroom.

Molly imagined Octopus would be very busy today because she'd left a huge mess.

But she had a surprise... there wasn't an octopus: it was her mother!

So on Friday, when her mother said, "Molly, tidy up!", she did.

8 Why did Molly rush to finish her tea?

Tick **one**.

She wanted to carry on playing.

• What happens with the results?

- Test results are not routinely shared with parents or published; they inform overall teacher assessments.
- Unlike year 6 test results, year 2 results are not a definitive judgement. Teacher assessment can include all the work a child has done in key stage one and the test result merely supports this judgement.
- The school will report all the teacher assessments to the local authority by the end of June 2022; we do not need to report individual test scores.
- Teacher assessments of pupil attainment will be shared with parents **in the end of year reports, published in July 2023.**

- **How can I help my child?**

Make sure they go to bed at a reasonable time, have a good breakfast and arrive at school on time during the assessment weeks.

Listen to your child read daily. Ask questions and talk about what they have read. Make sure they understand what they are reading.

Use online activities like **Reading eggs, Times Tables Rockstars** to practise skills at home.

Support your child to complete any home learning tasks, such as **spelling activities, reading comprehensions and maths sheets.**
